1. In the Varna docks the construction of the "Kaliakra" has practically been completed. This is a vessel of 212 tons, similar in type to the vessel launched in September 1946 and called "Ladona".

2. Also under construction are two motor vessels, two 80-ton vessels and one tugboat of 200 tons.

3. The construction of these barges without motors is to begin shortly.
